To whom it may concern,

Request: Issuance of Australian visa for a Chinese student

This is to request your kind cooperation in issuing an Australian visa for a graduate student of Tokyo Institute of Technology. He is a Chinese national and he is one of the top student in our department.

On behalf of our school, he and Mr. Kazuki Nakajima and me, Associate Professor Shudo, will take the research results and knowledge of our department to attend this meeting and transfer knowledge for other attendants, this is a very meaningful activity for him and our school. I hope this student will not lose an important learning experience because of his visa relationship.
